SUMMARY

Junior Full-Stack Developer (MERN &PERN) with hands-on internship experience building secure, responsive, and scalable web applications. Skilled in React, Tailwind CSS, Node.js, Express, MongoDB, and real-time features. Strong understanding of authentication, role-based access control, and REST APIs. Actively seeking a remote internship or junior developer role to contribute to real-world projects while continuing academic studies.

WORK EXPERIENCE

Web Developer Intern (Remote) - CYBIT   **Aug 2025 – Nov 2025**

- Developed responsive and interactive user interfaces using React, Tailwind CSS, and GSAP animations.
- Built reusable frontend components to improve performance and UI consistency across devices.
- Integrated backend APIs using Node.js, Express, and MongoDB with secure data handling.
- Implemented authentication, routing, and form validation for full-stack workflows.
- Collaborated using Git and followed agile development practices.

PROJECTS

SenChat : Real-Time Chat Application
React, Node.js, Express, MongoDB, WebSocket
 link: senchat.sushanka.com.np

- Developed a real-time messaging application with live chat and user presence.
- Implemented WebSocket-based communication for instant message delivery.
- Built secure authentication and a responsive, cross-device UI.

SenBlog : Blogging Platform
React, Node.js, MongoDB
link: senblog.vercel.app
Built a dynamic blogging platform with create, edit, and publish functionality.
Implemented role-based content management and secure authentication.
Added category filtering and responsive design for improved user experience.

TECHNICAL SKILLS

FRONTEND
- Typescript ,JavaScript
- React.js, Tailwind CSS
- GSAP Animations

BACKEND & DATABASES
- Node.js, Express.js
- RESTful APIs, Authentication
- MongoDB, MySQL,postgres

TOOLS & PLATFORMS
- Git, GitHub
- Postman ,supabase
- Vercel, Netlify

EDUCATION

Bachelor of Science in Information Technology   **(Expected 2028)**
- Infomax College of IT and Management

High School   **2022-2024**
- B.N.S.S

ADDITIONAL INFORMATION

- **Languages:** English, Hindi, Nepali
- **Certifications:** Full-Stack Web Developer (OneRoadmap) ,React Developer (Udemy) Python (DataFlair) ,ReactJS Workshop(ITSNP)
